

The Voyage

COLUMBUS HIGH SCHOOL'S YEARBOOK

SENIOR PICTURE INFORMATION

Before we know it, the time will be here when senior pictures are due for the yearbook. Please familiarize yourself with the following dates and guidelines regarding your student's photographs.

- The student's picture is due by **December 1, 2017**. We will share this with the Telegram for the graduation pages they print in the spring.
- Photo content: A simple shot of the head and shoulders. Please, no hands, trees, collections, fuzzy lighting, etc.
- Photo format: Photo should be vertical, in color, and without the photographer's logo or the student's name. Any size is acceptable, but most people submit wallet-sized pictures.
- Photo submission: Pictures, clearly labeled, can be brought to Mrs. Kwapnioski at the High School. Digital photos can be emailed to <kwapnioskic@discoverers.org>.

Because we hope to have every senior represented AND to have the 2018 yearbook completed in a timely manner, there can be **no** exceptions to the December 1 deadline. Students whose pictures are not submitted by that date will have the following options:

- To use the photo taken during registration (if available);
- To have a picture taken during advisement by a member of the yearbook staff;
- or
- To be listed as "Not Pictured" in their senior yearbook.

As the deadline approaches, lists will be posted to let seniors know if their pictures have yet to be turned in. Although some photographers do submit their pictures directly, especially of those students who have their pictures taken early, **it is the responsibility of the seniors to check these lists and make sure their pictures are included.**

Please remember, senior pictures are due by December 1, 2017. If you have any questions, use the information below to contact Mrs. Kwapnioski.
